

OFFICIAL INVITATION

ROCKIN' AND REELIN' STAG No. 79

Rooster-men!

Mark your calendars and reserve your flights! The annual Buckaroost Stag is o-fish-ully scheduled!

We start on Saturday, August 16th and continue until the morning of August 23rd, which gives us plenty of time to harmonize, fraternize and trapse the shoreline of the mighty Boulder River in search of rainbow trout!

Last year was an incredible year of renewal, growth and reinvention of the Buckarooster Stag tradition! This year will be no exception. We are already in high demand for a new show at the Road Kill Café.

We'll also be reinstating our annual cribbage tournament, so download a cribbage app to your phone and learn how to play!

As with last year, we'll lean heavily on the incredible culinary skills of our fellow Roosters, with Rooster Jim "commish" Gordon taking the lead on planning and logistics.

Whut to Bring and Roost Logistics

Stuff to Bring:

It's essential that you bring the following items:

Mandatory: A bath towel, a pillowcase, at least one pair of jeans, all Rooster gear – shirts, bolos, belts, songbooks, etc. You **MUST** bring the towel and the pillow case, otherwise you will be sleeping on a balled up pair of sweatpants and drying off with paper towels!

Optional: Yer Hikin' boots, at least one warm jacket and a pair of sweat pants (it can get cold even in August), fishin' gear, camera, toilet articles, musical instruments, (no bagpipes, please), and a set of perfectly tuned vocal chords. If you're partial to your own pillow, feel free to bring it, but we have plenty for those who bring their own pillow cases.

DO NOT BRING: **No sleeping bags!** We have way too many, and many have never been used!

ALSO DO NOT BRING: Cares & Woes, Work Worries, Big City Blues!

Logistics:

August 16: Fly in to: Bozeman, Montana Saturday as early as possible. You can also fly into Billings, but transportation will need to be by your own rental car. If flying into Bozeman, depending on timing, it's likely Bob Bean, Transportation Czar, can coordinate a ride for you. Otherwise, as most do, coordinate and share rental cars with others ... don't be like Bob and try to cram 5 guitars, 17 fishin' poles, 7 bags of luggage and 5 roosters into a compact car! Drive to: **3034 Main Boulder Road, McLeod, Montana 59052**

August 23rd: Fly back home, rested, relaxed and ready to take on the world. Try to schedule a mid-morning or later flight.

To cover Dues Food and Beer send \$375 to Greg Baker via Venmo (@Gregory-Baker-29) or by check to:
